Sunday School for Children...

School age children meet each Sunday, 9:45-10:40 a.m. for classes. We have deeply committed staff; their classroom is newly renovated and equipped with air filtering. Families don't have to be members of our church to send their kids to us ... we'd love to see you! Try it out soon!

...and Sunday School's for Adults, Too

While children are downstairs at Sunday School, we have a large Adult Bible Class that meets in the Auditorium, 9:45-10:40 a.m. That group averages around 40 participants. No advance preparation is needed; just come take a seat and join us. Printed study notes are available to take home.

Choir Program – Come Sing With Us!

Our Choir has rehearsals every second Wednesday at 7:00 p.m. in the church. (In 2025 they start January 8.) We're eager to have new singers join us ... even if you're inexperienced, don't hesitate; we don't expect voices to be "performance perfect"! Just come join us! Our choir sings Sundays at the 11 o'clock Service, as well as for midweek services during Advent and Lent and on major Christian festivals.

Junior Youth Nights (for Kids in Grades 3-8)

Supervised activity nights with games and a devotion are offered every second Friday (in 2025 they start on January 10) at 6:30 p.m. These happen in the Gym at our school, First Lutheran Christian Academy, 3850 Locke Street in south Windsor (near Holburn and Cabana Road East). These are also open to non-member families. Ryan McLeod serves as the group's leader.

Our YouTube Channel

At the top of this page, click on "Our YouTube Channel," to find our collection of Sunday and special services, around 287 videos with over 87,000 views. If you cannot attend worship in a given week, make a point of watching these online preaching services. Invite loved ones and friends to watch, too!

Food Bank Ingathering – 2nd Sunday of Each Month

We encourage members and friends of our church to bring non-perishable groceries (mostly canned and boxed items) with them to worship on the second Sunday of the month. There are receptacles at both major entrances to our building plant where you can place them. The groceries are forwarded to our friends at Peace Lutheran Church, which maintains a very effective and well-run Food Bank. This is a way of supporting the needy here in our community.
